

Ontario's Garden Suite & Multiplex Experts

Owning a home in Ontario is tougher than ever — rising mortgage rates, limited space, and rental shortages make it hard for families and investors to plan for the future. That's why we specialize in Garden Suites and Multiplexes: to help homeowners unlock income potential, create flexible family housing, and build wealth — all while staying 100% legal and compliant. At Additional Residential Units, we're more than builders. We're strategic partners who guide you from idea to keys in hand.
